PRECIOUS MOMENTS

Precious moments in my day, are when I quietly slip away, and spend some time with my best friend in moments I don't want to end.

Precious moments when I yield all of my being His to will, Harried hours cease to be in moments with my God and me.

There's a peace this world can't bother in moments I spend with my Father, My day just seems to shape-up right, my evenings turn to perfect night.

Precious moments go so fast- how I wish they'd last and last Yet, I know somehow they'll be moments in eternity. So I'll slip away this hour, for moments filled with mighty power, for time more precious than pure gold in moments priceless to my soul.

OUR FATHER

which art in heaven,
Hallowed be thy name.

Thy kingdom come.

Thy will be done in earth,
as it is in heaven.

Give us this day
our daily bread.

And forgive us our debts,
as we forgive our debtors.

And lead us not
into temptation,

But deliver us from evil.

For thine is the kingdom,
and the power
and the glory, for ever

Amen.
